Mistley Cricket Club Annual Report

Mistley Cricket Club continues to play a vital role in the local community, providing opportunities for participation, development, and sporting success across all age groups.

The 2025 season was one of the most successful in the club's history. The senior side were crowned Division 2 Champions, alongside securing the Sunday League title. Our junior section also celebrated a major achievement, with the Under-15s finishing as Champions in their league. These accomplishments reflect the strength of the club both on and off the field.

The club currently runs three Saturday teams, offering competitive cricket across multiple levels, as well as a Sunday men's team. In addition, our ladies' team continues to grow in both participation and performance, with fixtures taking place on Fridays and Sundays.

Junior development remains at the heart of the club. We field teams in competitive leagues at Under-11, Under-13, and Under-15 levels, supported by a thriving All Stars Cricket programme that introduces younger children to the game. Last season, the club welcomed over 80 junior members, highlighting strong engagement from local families and the importance of cricket within the community.

Mistley Cricket Club also continues to make full use of the Welcome Home Field, ensuring it is well maintained as a key facility for junior matches and 3rd team cricket. This commitment helps provide a safe, accessible, and high-quality environment for players of all ages.

Beyond cricket, the club is actively working to strengthen community ties. We are developing a positive relationship with the local bowls club and are looking forward to hosting a joint event this year, further enhancing collaboration between local organisations.

Overall, Mistley Cricket Club remains committed to fostering participation, supporting player development, and contributing positively to the wider parish community.
